

# Ecospirituality through the Eyes of an Artist

**Thursday, April 21 and 28 at 1:00 pm EDT**

Presenter: Imogene Drummond, international artist, and filmmaker (New York)

In these presentations, Imogene Drummond will share how her growing awareness of our integral connection with the Universe influenced the development of her art in diverse media, including film, video installation, and an educational program that combines Self-worth, Creativity, and the Cosmos.
